

OLDE GEORGETOWNE ASSOCIATION
Architectural Committee Guidelines
Revised & Approved by Board of Directors
Approved 10/26/2022

ALLOW FOUR WEEKS FOR THE ARCHITECTURAL COMMITTEE TO MEET AND REVIEW YOUR REQUESTS. ALL REQUIRED DOCUMENTS AND APPLICATION MUST BE INCLUDED AND COMPLETED OR THE REQUEST WILL BE DENIED. NO EXCEPTIONS.

To ensure harmony, it is the responsibility of every homeowner or potential homeowner to know and abide by the rules and regulations of the community.

This document is a guide and is NOT approval for homeowners to skip the required Architectural Review Committee (ARC) processes that pertain to all properties and structures in the development.

This document also is not intended as an all-encompassing guide, and it is still the responsibility of the homeowner to file for approval on changes unless this document specifically states that approval is not needed.

General stormwater: All improvements are subject to review in reference to stormwater runoff, easements, and impervious area. This is also referenced in the Declaration of Covenants.

OLDE GEORGETOWN ASSOCIATION

FENCE REQUEST FORM

As stated in the Olde Georgetown ARC Guidelines, all fence designs, including location, material, height, etc., must be approved to ensure compliance. Fences allowed are maximum 6' natural wood privacy fencing (for lots not located on the pond) or 4' black aluminum fencing (for lots that back up to the pond). Only wood privacy fencing is allowed on lots that do not back up to the pond. Only aluminum fencing is allowed on lots that back up to the pond. No chain link fences. Placement of fences must follow the requirements in Declaration of Covenants, Article X, Section 6(d).

Treated lumber fences must be natural wood colored stain. Proper setbacks vary by section, please refer to Brunswick County and NC State regulations for setbacks and appropriate Covenants Conditions and Restrictions for height specifications. Homeowners are responsible for maintaining wood health and appearance that includes routine pressure washing and weather treating, typically every 3 years along with any repairs or replacement in kind.

Placement of fences may be on the property line or 3' in from the property line to allow for maintenance between properties. Fences cannot be placed in a utility or drainage easement. Owner is responsible for necessary maintenance and repairs of fences which cross over an easement to tie into a neighbor's fence.

Please circle which option you are requesting to install:

- A. TYPICAL 6' NATURAL WOOD SHADOW BOX PRIVACY FENCE (Lots not located on the pond)

B. TYPICAL 4' BLACK ALUMINUM FENCE (Lots located on the pond)

With submission, please include a copy of your plot plan and sketch of proposed location for the fence. Any submission that does not include all requested information will not be considered.

Allow up to four weeks for approval.

Olde Georgetowne Architectural Request Form

The Declarations of Covenants, Conditions and Restrictions for your community specifies that all exterior improvements to your property must be approved in writing by the Architectural / Design Review Committee before improvements begin. Please complete and return this form according to the provided instructions. One form per project.

INSTRUCTIONS: Please read and follow carefully.

- Please refer to the above chart for specific requirements for your particular project. **Provide all "X" items along with this completed Request Form.** If your project is not specified above please provide a written description (see next paragraph).
- For ALL requests, attach a **written description** of the scope of the proposed changes including the general nature of the work, location of the changes, colors and materials to be used plus any plans, drawings, photos or brochures necessary to illustrate the dimension, size and appearance. Please be sure to include details of any landscaping changes or removals which may be necessary to accomplish the changes proposed.
- Attach a **property survey / plot plan** with the location of the proposed changes **clearly marked on the survey / plot plan.** This item **MUST** be included so that there is a clear understanding of precisely where the changes will occur in relation to the home, driveway, other structures and any easements or rights of way which may exist on the property. Note: Your project will not be sent for Committee review without a copy of the property survey / plot plan. A **plot plan** can be obtained from your closing documents or you may reach out to your builder for a copy.

***** BUA INSTRUCTIONS (Built Upon Area)**

Projects which require owner(s) to submit BUA amounts, include but are not limited to the following; hardscape around in-ground pools, patio, patio extensions, driveway extensions, walkways and sheds. BUA is considered any impervious surface that does not allow rainwater to infiltrate into the ground – i.e. footprint of the home, sq. ft. of driveway, concrete walks/patios, etc. Note: For pool requests the surface area of the pool should not be included in your BUA calculations.

Complete this section for BUA / impervious surface projects:

Existing BUA – located on your plot plan: _____ sq. ft.
Proposed BUA – total square footage of your project: _____ sq. ft.
Maximum Allowable BUA – refer to CC&R's: _____ sq. ft.

IMPORTANT: Please allow up to 3-4 weeks for the Committee to complete the review and response process. Requests which do not include the items described above will delay the process. Email is the quickest and most efficient way to submit a request. The review and response is based on the community's governing documents and the information submitted with this request. **The property owner is responsible** for investigating and complying with any and all other local requirements, permits or jurisdictions the property is subject to as well as HOA governing documents. Homeowners are encouraged to review HOA governing documents prior to submitting a request.
